Questions for Reflection and Response

1. There are many ways one can abide or remain in Jesus like confessing known sin, or when anxious turning to Jesus in prayer, or when faced with a decision to look to his word for wisdom and direction, and so forth. In what ways have you shown that you abide in Jesus? Are you aware when you aren't abiding in him? What can you do this week to ensure you will abide in the true Vine?
2. Look at Galatians 5:22-23 on the fruit of the Spirit. What qualities do you see in your life? Has there been a growing display of those qualities in your life since you claimed to receive Jesus? What do you want to see more evident in your life? Bring it to God in prayer.
3. Are you sure you are a genuine believer, a Christian and not a fruitless branch? If you are sure, but do not feel you are thriving in your walk with Jesus, perhaps God is pruning you? Examine your life and ask yourself how God might be pruning you and trying to get your attention. Surrender to him. Get those ungodly priorities, relationships or activities out of your life.
