In light of this text, we must never forget that God loves us dearly and each new day, even if we mess up in our walk with Jesus (and we will), his mercies are new every morning. God gives grace for each new day. We are never without hope. We have seen his faithfulness in our own lives and in the life of our church for forty years. We can count on him to be faithful to us in the days and years ahead. Press on in hope!
