## 2021 Summer School & 2021 - 2022 School Year Tuition Rates

**Tuition rates.** Full Time and Part Time denote "days" your child will be attending school while School Day or Full Day denotes "hours" your child will be attending on those days. Part Time programs are "full day" only. As is with all our programs hours, your child may be dropped off any time AFTER 7 am and picked up any time BEFORE 5 pm. Days cannot be changed. Starting the 2021-2022 School Year, we are increasing the rates for our 2 year old class. If your child's DOB falls within the dates indicated, you will be charged the higher rate for the entire SY.

For the duration of the **Emergency Relief period:** We are requiring all children to wear a mask. We are **not** offering lunch; extended care; going on Excursions or having events and activities open to families and friends at school. We do provide AM and PM snacks; and utensils and milk for lunch and continue to have activities with just the students and staff at school.

**Extended Care option.** As mentioned above, we are not currently offering extended care. However, should the Emergency Relief Period end we may offer early drop off. There is a minimum number of students required in order for the care to be offered. Please note that **there is no guarantee that early morning drop off will be offered even if the relief period should end**. BUT if you are interested in the possibility, please indicate on the intent form. There is no extended care option for part time programs.

**Comprehensive fee** will be assessed with your first tuition payment for each of the Summer and/or School Year Session(s). Summer School: \$100. School Year: \$200.
